Follow the instructions below to register for the new online portal for your Ideal Storage unit after December 1st.

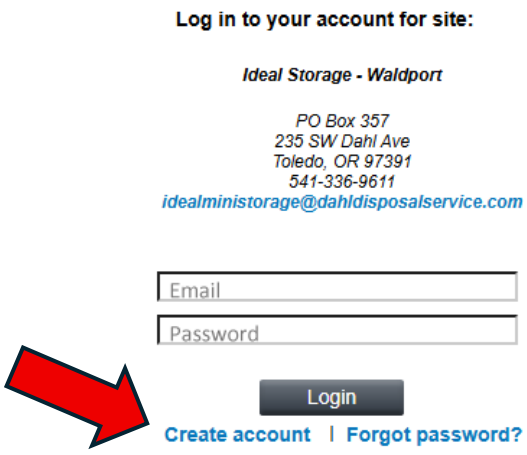

1. On IdealMiniStorage.com, select your location:

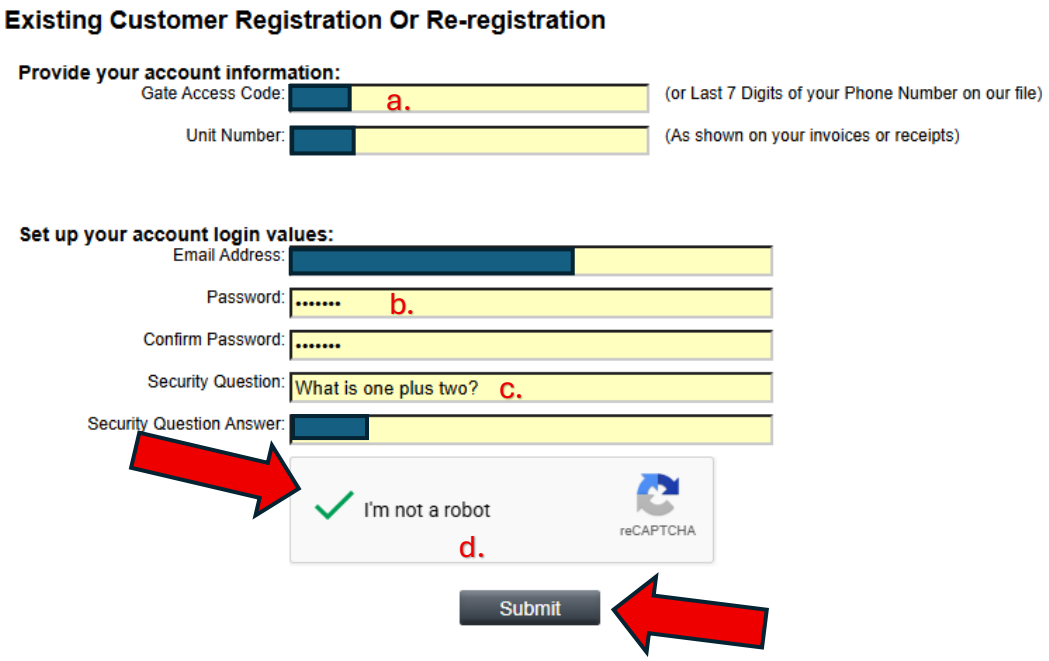

2. Then find the "Pay Online" button.

3. From the next page, select "Create Account" beneath the login option.

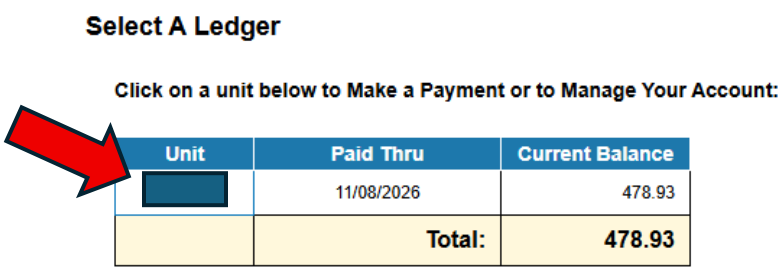

4. Fill out the required fields to register your account:
    a. Do not include special characters when entering your gate code.
    b. Password must be at least 8 characters, with at least 1 upper case letter, 1 lower case letter and 1 number. “Password” and “Confirm Password” fields must match.
    c. You must write in your own security question and answer.
    d. Indicate you are human and hit “Submit”.

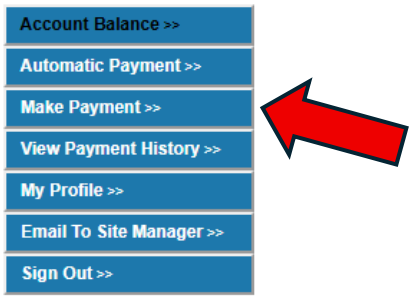

Your account is now registered.

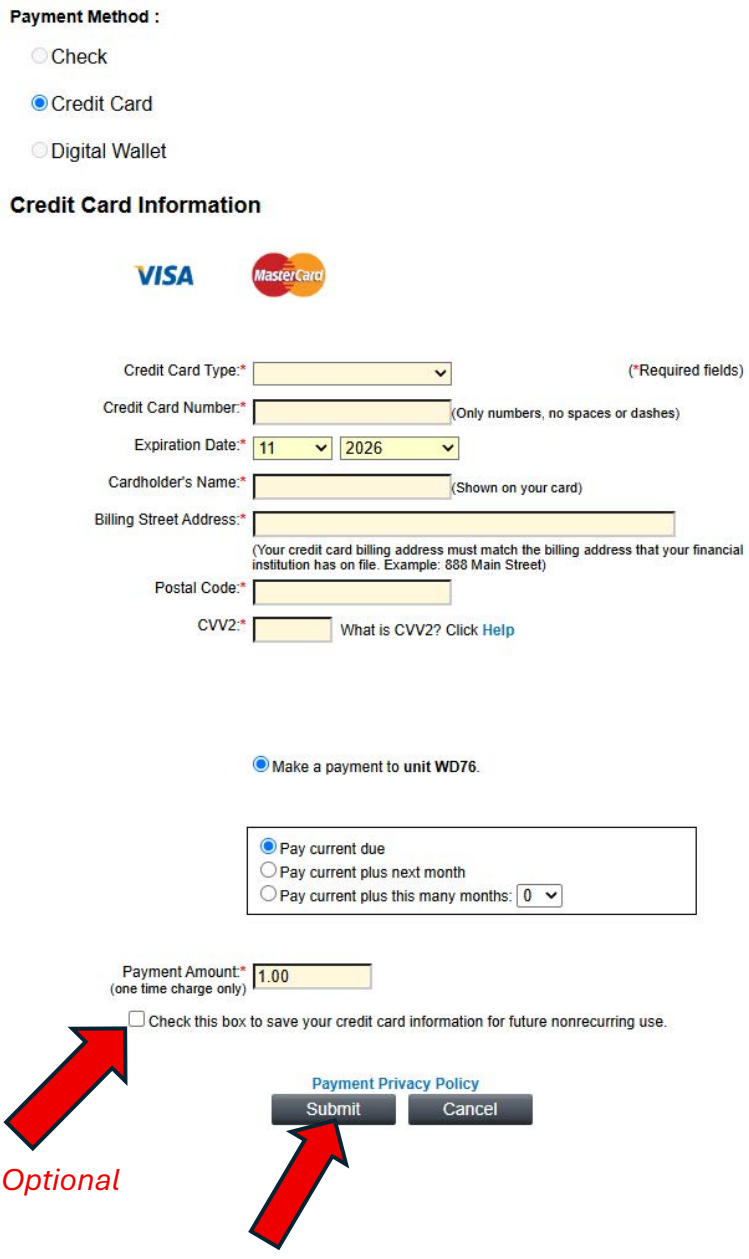

5. To make a payment, click on your unit number:

6. For one-time payments, select “Make Payment”. For Autopay, skip to step 8.

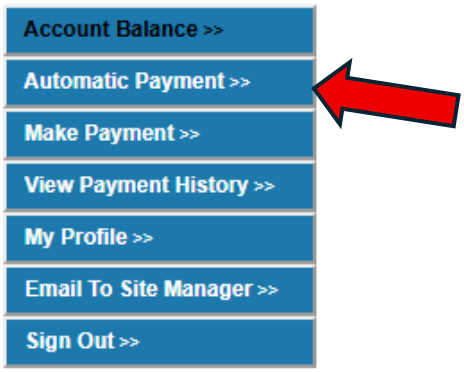

7. Currently, only credit and debit cards are available. Enter your card details, then hit "Submit".
    a. Optional: Check box to save your credit card information.

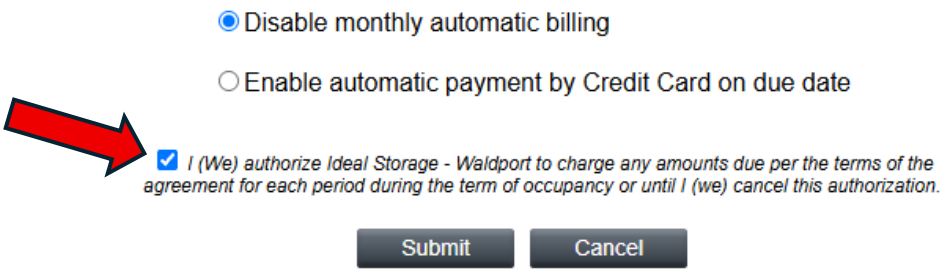

a. Optional

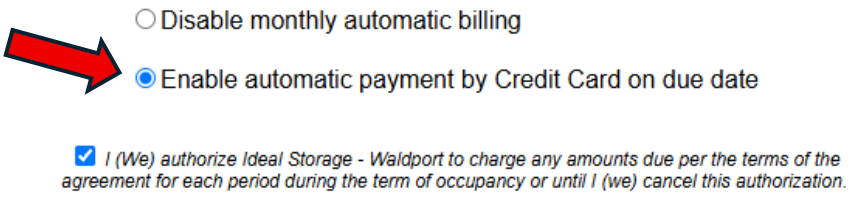

8. To enroll in automatic payments, click the “Automatic Payment” button:

9. Check the box to authorize Ideal Storage to charge your balance due each billing period.

10. Click the radio button to “Enable automatic payment by the Credit Card on due date:

11. Enter card information and click “Submit”.
